

Annual Report 2011-12

लहर-लहर लहराही बाड़ी।

हमर गरीवी मिटाही बाड़ी।।

jan Miham Kalyan Samiti

JanMitram House, Past Kelo Vihar Raigarh (Chhattisgarh)

Foreword

In these modern times, when Indians are moving ahead on a path of openness, competitiveness and growth; Skills, capital, and risk-bearing abilities are getting more and more crucial for survival. People, whether urban or rural, have to withstand this ever-increasing competition. In rural India, New challenges coupled with old constraints i.e lack of basic infrastructure, irrigation facilities, increasing cost of inputs and defragmenting land has threatened very sustenance. People have to comply with new technology, resource pooling, alternative marketing source etc to maintain their livelihoods strata or to enhance it. This is major concern for government and other developmental agencies.

Dr. Mukesh Goswami, President

JanMitram is doing its bit, to empower vulnerable Communities. This empowerment is in terms of skill, resource pooling and finance. Important thing is; these empowerments shall be irreversible and sustainable. In Last few years we have successfully created one institution RISA that is involved in marketing of rural and agriculture products. This year we have made our SHGs to form a cooperative that can help themselves with credit and technical support. This organization- **RAVIACCL**, *Rural and agriculture venture investment autonomous credit cooperative limited* is taking shape. This is getting overwhelming responses amongst people. In our regular projects, we have more energetically involved in development of village level institutions i.e. VPC in Wadi, WC in watershed and SHG federations. JanMitram shall focus on strengthening theses institutions for the next few years to come.

Also, few other social concerns have occupied our mind. Child Sex Ratio in our district, have declined alarmingly, as evidenced in recent census data. We are about to launch a comprehensive awareness campaign, with focus on PC PNDT act.

This annual report presents details of our operations and achievements this year. All these take place successfully do to tireless efforts of my fellow volunteers and staff. I take this opportunity to thank them, and request to take it forward in forthcoming years.

Yours truly

Dr. Mukesh Goswami

:OUR VISION & MISSION:

VISION

To intervene among backward and disadvantaged communities by rising awareness and skill for enabling them to recognize better opportunities offered by our great democratic nation.

MISSION:

- Improving health and educational status for women and children.
- Improving economic status of ST/SC and Marginal sections of society through employment generation, Skill development, and liaison for capital arrangement.
- To institutionalize services in unorganized sector and Introducing Proven technologies and ideas for better living.
- Conservation and management of natural resources through people's participation.
- Strengthening community organizations, local bodies, and Panchayti Raj Institutions for effective self-governance.
- Advocacy for Human rights and people's initiatives for social justice

Expression of Gratitude

- We in JanMitram, express our sincere thanks and gratitude to the members, donors, funding agencies, sympathizer and supporters who believed on JanMitram, supported and in moral and financial terms. We would especially like to mention
- National bank for agriculture and rural development NABARD, Regional office Raipur and DDM Raigarh for their support for WADI and VDP
- National Aids Control organization (NACO) and State aids control society (CGSACS) for supporting TI programme. District health administration is also thanked for their kind support in implementation.
- GOI and GOCG for IWMP Watershed development programme and DRDA Raigarh for actual implementation. WE also thank watershed committees and People's representatives of Kharsia block for support in field.
- State bank of India , for extaining R-SETI training support to JanMitram institute for skills and development
- DRDA Raigarh for Sanjivani programme, which helped to rejuvenate over thousand SHGs in the district.
- Individual Donors who supported our organization from their hard earned money and gave us pleasure to bring smile on face of oppressed people.
- Media and Media person who, wholeheartedly circulated stories and achievement among their reader which actually made our task easier and improved organization's image in people' mind

JanMitram Famely

Review of Operations – 2010-11

1. LIVELIHOOD ENHANCEMENT PROGRAMMES

Livelihood enhancement remains core of our initiatives. Our mission clearly defines about technology dissemination, institutionalization of services, financial and market linkage etc as tools of poverty reduction. All such activities should be eco-friendly and have considerable emphasis over sustainable usage of Natural resources. This year, NABARD TDF-Wadi and Village development Programmes, Water shed programme GOI and Self funded livelihood support services went on to tackle poverty in target areas.

A. NABARD-TDF Wadi Prgramme

Indiscriminate exploitation of forest resources and poor crop and animal production practices have to low productivity and degradation of agricultural land and depletion of forest resources, the main support system of Tribal's. As a result of low income and shortage of food, majority of the tribal's migrate to nearby towns for sustenance

JanMitram is closely associated with NABARD which has assisted in implementation WADI projects in Gujarat and Maharashtra. In view of the success of the approach adopted under the 'WADI' model and its overall impact on poverty alleviation, NABARD has taken a major initiative to replicate the Gujarat wadi model in various states. JanMitram was chosen as partner and assistance is being provided for 200 tribal families. This new project is started in Gharghoda block of Raigarh district and Kicked off in late December 2010.

- Major Delevarables of WADI Programthis year
- Established 200 acre Horticulture plantation
- ✓ Soil Conservation
- ✓ Water Resource Development
- ✓ Earning through intercrop
- Drudgery reduction
- ✓ Started income generation activity among women
- ✓ Training and Capacity Building

The core interventions of the programme is establishment of orchard of the selected fruit crops as a foundation economic activity and utilization of border for planting of multipurpose forestry plants to meet the fodder, firewood and timber requirements. This will reduce their dependency on forests providing them sustainable

livelihood. These orchards have been developed in wastelands thus increasing net cropped area. This year 200 Acre of plantations were carried out. Our experts and staff continued with technical support and guidance for development of quality orchard.

Water resources have been developed in each orchard, through which farmers have been now able to do intercrop with different vegetables. Social mobilization and empowerment initiatives are also part of project. 4 VPCs ,3 farmers clubs and 32 women SHGs have also been developed under this programme.

Β. Village Development Programme -VDP

A Majority of villages in the country still face Constraints such as access to education, health facilities, Drinking water, Power Roads, Credit, information and market. Against this background, adoption of such villages in backward region for development and integrated village development our strategy. With prime support of NABARD, and convergence of various line department funds, village development programme is intiatied in 4 villages of gharghoda block. These are tribal dominated Tenda, Dangninara, BastiPali and BaronaKunda villages and lack civic facilities. Last year, we developed a details plan of village development plan is to focus on financial inclusion and also to develop village with holistic approach. With help of this programme Few major achievements come by this year given below.

- Initial Sensitization of VDP :Being the first year of VDP, Peoples orientation and sensitization toward development activities, programme goals and methods, various elements of programme were discussed in detail. First sensitization was done in first quarter. Later stages, sensitization camps were done with VPC committee, especially regarding convergence, there need and rising demands with authorities.
- Village level Sensitization workshops: Such one workshop in each VDP village was organized, where annual action plan, based on PRA was discussed. Responsibilities of people of fixed, and the team emerged was constituted as VPC. The committee formed is now a solid institution and people's forum for discussing developmental issues and approach to entitlements. Some issues, which have long become obstacle in development i.e. encroachment on road/Community land, direction of drain etc were sorted on spot and made a constructive atmosphere.
- Exposure visit for farmers / other participants: Exposure visit was organized for farmers, in which 40 farmers visited Jashpur district to see village development and improved agriculture practices, Made by Raigarh Sahyog samiti. This visit refreshed farmers approach and made them enthusiastic towards modern agronomic practices, farm equipment bank and backyard vegetable cropping etc.
- Workshop on modern agriculture practice/ SRI, aromatic cultivation: Training for Modern agronomic practices regarding seed intensification in rice, vermin-compost and Nadep composting, cultivation of Maize and pulses in upland, vegetable production were organized in villages. This has brought about 50 acre of land under SRI. also, over 22 acre of land (cumulative by 112 Farmers) brought under vegetable cultivation. over 60 farmers stated growing maize and pulses in upland, which was not seen earlier. About 150 Farmers have stated vermin-composting in their farms.

Mr. OP Rathya, Parliamentary Secretary GOCG attending Convergence Program

- Promotion of vegetable cultivation: Over 22 acre of land (cumulative by 112 Farmers) brought under vegetable cultivation.
- Meeting with VDC, Agri Dept./ KVKs : These meetings were organized to provide knowhow of modern technology, tools, seeds, facilities and subsidies from these department. This helped in convergence of different schemes in villages. It also helps these departments a lot as they choose VDP village as there model for this and forthcoming years, where they effortlessly do extension and demonstration of schemes and modern varieties.

On 4th January, 2012 Parliamentary Secretary GOCG and local MLA Mr. O.P. Rathiya presided convergence drive and distributed subsidized vemi kits, seeds and other farm inputs in tenda village.

C. IWMP Watershed Development Project.

This year, we have started watershed development programme in 20 villages of Kharsia block. This programme is intended to reduce soil erosion and improve water availability in these villages. We submitted a Preliminary project report last year, which got approved by GOI-DOLR and JanMitram, was approved as a PIA

This year, Preparation of DPR went on. Watershed committees were formed in all 20 villages of project area. Preliminary training and orientations, followed by Participatory rural appraisal paved way for a detailed project report. Watershed structure was finalized and geo-satellite coordinates of each work documented. Overall 4605 Hact area shall be treated while 3000 families shall be benefitted with program. Various livelihood and microenterprise development activities are listed with probable beneficiaries.

We also initiated entry point activities in few villages. Mostly water retaining works like small tank, hand pumps, and wells are created under this head. We are in wake of fully fledged implementation for FY 2012-13.

Skill development Initiatives

Acquiring and developing the skills that provided employment is need of hour, especially for rural youth. JanMitram undertakes different skill development for the school drop-outs and existing workers especially in the informal sector. This is done in close consultation with industry, micro enterprises in the informal sector, experts and academia.

last year We started JISAD- JanMitram Institute for skill development. The JISAD provides Carrier Counseling, Vocational Trainings and skill development services, with a motto of *"Guiding youth, Spurring smiles"*.

The JISAD is now entrusted to conduct all skill development and vocation trainings of JanMitram. This year JISAD conducted many in house and External Training this year. One mobile equipments maintance training was organized with support of SBI R Seti.

Sanjivani Programme: JanMitram is involved in development of SHGs since inception. Apart from capacity building, we also link them with commercial banks for capital support. A fairly large number of groups are involved in seasonal activities and lending from bank before onset of business season is crucial. Regretfully, many SHG are unable to avail lone on time, due to time taking process of bank. Hence the livelihood support services have been started by organization, in which a sum is provided for the time being, that is returned once bank loan is disbursed. This provides a cushion to SHG. This year, 18 SHGs were supported by organization with a sum over 5 Lakh.

Health

Addressing Community health issues, especially those of children and women are also in core of our mission. We are running mitanin programme since 2003 and targeted intervantions for AIDS-STI prevention amongst female sex workers in Raigarh district. Progress of this year is discussed in this section.

Aids TI Programme

Raigarh is ecologically vulnerable to HIV/AIDS. 139 people already detected HIV positive in last few

years. Due to rapid growth of Industries & mining, human mobilization is being increased at an alarming state. Human trafficking is one of the major factors that made this district prone to this deadly disease.

Keeping in view, We had been working to the issue independently. After field survey alarming reports were came to front. Around 18401 people were found vulnerable who were likely

to be affected by HIV. The organization immediately acted upon. Volunteers started counseling among Female Sex Worker, in Different Hotspots of Raigarh and kharsia. In the year 2008, CG-SACS (Chhattisgarh AIDS Control society) made us project implementing partner. The programme is a part of NACP under guidance and fund of NACO. The project is meant for **Targeted Intervention (TI)** in HIV/AIDS.

A team of 6 members, with 8 community facilitators (peer educator, henceforth term as PE) comprises of technical & non-technical experts solely held responsible to carry out the predefined activities in TI programme. The project is based in city and suburbs of Kharsia & Raigarh. Major activities like awareness campaigns, technical Trainings & Health camps were convened during the project period. Besides these several other activities were also conducted among stake holders, by engaging technical experts like Doctors, paramedical staffs, ANM workers, ORW workers etc who imparted training on STI/RTI management, safe sex practice (BBC), First Presumptive treatment, Second Presumptive Treatment, Syphlis Screening, Drug Procurement etc.

Volunteers involved themselves in Free Condom Distribution, Social Marketing of Condom, Condom demo and re-demo, Establishment of condom outlet. 24 Condom outlets were set up, 236027 Condoms

distributed & 2844 stakeholders trained with Condom Demo & Re-Demo. 436 persons were referred to different ICTC centers by the Volunteers. Despite numerous challenges, the team of TI has accomplished its goal. The overall achievement report envisages the figures as follows:

S.N.	Component	Activity	Annual Target	Achievement
1	B.C.C.	One to One by PE	9600	9465
-	5.6.6.	One to one by orw	1200	1914

JanMitram Scholarship for ultra poor

JanMitram is running variety of programme in field. Each and every member and volunteer of JanMitram feels empathy with poor and deprived people. Our primary focus is combating poverty; however, it is sometimes necessary to help people in those areas which are not out primary focus. Education is foundation of a successful life. We have seen many youth and girls dropping out of education due to financial constraints. Therefore, the managing board decided to establish a fund for providing scholarship to student belonging ultra poor families.

Four categories of scholarship were decided. For Boy's higher and professional education i.e. MBA, BE, Medical etc, The S.P.Singh Memorial scholarship is started.

This year, Three students Shri Sujit Patre Received Rs 58000, Mr Arun Padna Rs 10,000 and Tneswar Dewangn Received Rs 5000 Support. First two are doing BE while Mr Dewangan was supported in school education. Total Rs 73000 Was assisted this year for scholarship purpose,

Part B : Internal Governace

JANMITRAM BOARD:

JanMitram Board is made up of 7 persons who are responsible for:

- Taking policy decisions.
- Monitoring overall programme of the organization.
- Guiding the President and Division heads, whenever required, on policy and operational matters.

PRESIDENT - CORE GROUP - FUND RAISING GROUP CONTINUM

President of JanMitram is chairperson of both JanMitram Core Group and JanMitram Fundraising Group. He along with core group will be responsible for:

- Lead the organization,
- Give direction,
- Monitor all activities,
- Initiate new actions according to the need of the hour, Improving upon the existing system and procedures and
- Effective implementation of all welfare activities with quality.

The fundraising group is engaged in raising attached and unattached funds for programme and activities. They are responsible for carrying out the day-to-day activities of raising funds. All these activities are convening by secretary and president. Treasurer looks after financial administration and legal formalities and accounts related help from the people with line functionaries.

Prabndh-karini (JanMitram Governing Board) is elected in democratic way. Composition of Present Governing is

Dr. M.G. Goswami, President

Sh. Santosh Pandey Vice-President

Sh. Ravi Kant Meena Treasurer

Sh. Jivan Bhagat Member of Executive council Smt Sevti Gupta Member of Executive council

s.n.	Name	Occupation	Position	Address
