## EXECUTIVE SUMMARY:

The purpose of the Nand Ghar Programme is to not only limit to the upgrading infrastructure of Nand Ghars but also to improve pre-school education, skill development of women and delivery of nutrition and health care in a better way. This is our 19<sup>th</sup> report and we are proud to proclaim that we are continuing our best to organize as many activities as we did in past 18 months. Our field staff made themselves familiar with the project activities, the concerned staff, the community and beneficiaries of the project are now well aware of the monitoring activities and it is reported that field staff are getting regular supports from the communities as well. Preparations for conducting pre-school workshops in Nand Ghars in collaboration with Sesame Workshop Trust India is undertaken. Each month there is new energy to start with. Much like last month we continued our focus on nutrition and health aspect. This month celebration of International Women's Day implementing theme *#embrace the equity* was celebrated in Nand Ghars. Following table presents the highlights of the month March-2023:

## Conducting COVID-19 awareness sessions

COVID-19 is not over yet. Hence, it has been advised and instructed that all CCs should start their session in Nand Ghar with COVID awareness such as regular hand washing, wearing a mask and keeping social distancing. Amid this awareness, we have observed that peoples around Nand Ghar do follow the instructions. Few images of COVID awareness sessions are given below are displayed below:

## **G1 Implementing WASH programme to ensure toilet training, hand washing, wearing of slippers while going to toilet**

Wash programme is a mandatory activity in all Nand Ghars. In the wash programme sessions children have been given routine follow up on cleanness while going to toilets. Children in each Nand Ghar are trained daily on this account. In 262 Nand Ghars we have completed 262 wash programme sessions. Some snapshots are given below:

Strengthening nutrition system\_Parastarai

Strengthening nutrition system\_Kusumghata 02\_Kabirdham

Across 262 Nand Ghars average members, taking interest towards strengthening existing nutrition system is limited to 10-12. In this month a total of 2215 beneficiaries were benefitted in enhancing nutrition quality. In the training session under head D-7 we capitulate existing services which can be used for strengthening nutrition system. Raipur and Durg district have received good response so far while Bemetara and Korba require more attention. Few images are shared above:

## C1 Kitchen garden developed at Nand Ghar

To strengthen the nutrition system concept of developing Kitchen Garden is unique. We have identified few places either near to Nand Ghar or besides beneficiary house to develop nutrition garden. So far, till the month of March we have developed and maintained for vegetable supplies in 262 NGs. But this month we are claiming for the 42 NGs only as the nourishment, new seeds and labor efforts could be implemented in these 42 NGs only. Details are given below:

S. No.	Name of the district	Total No. of NGs	Kitchen Garden Developed/maintained in Mar-2023

## *Way forward and next month's plan*

**The improvements we have planed and will be executed from the next month are as follows:**

1. **Baseline survey** and need assessment survey is completed in this month to know the exact requirements of the Nand Ghar in all the 6 districts of the project area. Analysis is ongoing.
2. **Infrastructure:** We have planed and assigned the work to all the CCs to find out how much assets items and available and how many are needed in the Nand Ghars so that demand may be put before you accordingly. Nand Ghar Committees are formed for the security of those assets.
  - To update asset register in each and every Nand Ghar.
  - To find out the possibility of convergence at each Nand Ghar.
  - Water lab testing.
  - Pest control activities.
  - To ensure food testing as per schedule at each Nand Ghar.
3. **Health & Nutrition:**
  - Collaboration with BMC team for free cancer screening camps in Balod, Raipur and Durg.
  - Collection of complete data for THR distribution.
  - Collection of accurate data for the vaccination/immunization of children/mothers
  - Meeting in the district Raipur, Bemetara, Kabirdham and Korba to initiate MVH services
  - Regular organization of VHSNC at planned Nand Ghars.
  - Organization of MCHN day at each Nand Ghar.
  - Organization of training of mothers for the preparation of new recipes.
  - Nourishment of existing kitchen gardens at Nand Ghar
4. **Education:**
  - To bring a sizable improvement in the enrollment at each Nand Ghar for the children
  - To keep alive the whatsapp activities and regular interaction with the parents
  - Organization of regular WASH sessions at each Nand Ghar and encouragement for the peer support to inculcate hand wash among the children and use of sleepers when going to toilets
  - Capacity building of NG staff and organization of various training session to enhance their knowledge e.g. on early childhood education.
  - Organization of regular PTM and invite the suggestions of parents for providing better services at Nand Ghars
  - Boost the morale of NG staff to work in a better way to get rewards as we have set category and criteria for the same.

- To ensure regular hand holding to Nand Ghar workers and Sahayika for effective delivery of ECCE as per ICDS curriculum.

**5. Community engagement:**

- To collect necessary documents with seal and signature of PRIs to confirm the convergence in Nand Ghars
- Award and Adherence ceremony will be based on the criteria of convergence only.
